I quite agree with the views
stated above. The publication
in the Gazette is prescribed under
Art. 69 City Statute No. 10.

N.B.—Should routine notes be written on small slips,
the notes must be copied, or slips pasted on

Logan
 Under existing orders, the list of
 municipal elections in the two
 Cities has been published in the
 Gazette annually. The Tucson
 City list published in the Gazette
 of 21-4-21 occupies 27
 pages, and the Pinal County list
 is not likely to be smaller.

As the Gazette circulates through
 the State, the publication of City
 lists is not of much use or value
 for most of the subscribers & readers.

Except as a matter of prestige
 to the elections in the Cities, there is no
 much measuring in the publication.

More publication in the Gazette
 involves the printing of as many
 as 1000 copies, while if these
 are given as spare copies to
 the State, for private publication
 in the City will doubtless be
 secured.

It is a point for consideration
 whether as a measure of
